PERSONALIZE IT!

ONE-WAY™ Printed Welding Partition Screen

Protect your employees from the welding process by completely separating your welding area while still communicating motivational and safety messages.

- Enables welders to see through the screen, while simultaneously protecting and informing employees on the other side
- Move Welding Partition Screen on track system to create a custom, temporary solution
- Protection from harmful UV light, flash burn, sparks, fumes, and flying debris
- Print key safety and motivational messages on the outside
- Screens can be as large as 6-ft. high x desired length

Track system sold separately

Safety Signs

The most effective way to communicate possible hazards in the workplace is to display safety signs. Inform others of the dangers associated with welding, brazing, and cutting. Our stock signs are ready-to-ship ... today. Safely Made in the USA®!

- **Adhesive Vinyl (VS)** Flexible vinyl with permanent acrylic adhesive back. Moisture-resistant with scored backing for easy peel-off and application. Ideal for light-duty use.
- **Plastic (VP)** Moderate-duty plastic printed and protected with UV-stable Duck Armor™ Liquid Laminate for increased durability for indoor and outdoor environments. 3/16" corner mounting holes.
- **Aluminum (VA)** Industrial-strength rigid aluminum printed and protected with UV-stable Duck Armor™ Liquid Laminate for increased durability for indoor and outdoor environments. 3/16" corner mounting holes.

To order, add material code after part number.
